

## Instructions for using DS Forum

Before you can post anything you will have to register. Follow these steps:

Click on *Registrér*:

Velkommen, **Gæst**. Venligst log ind eller registrér dig. Modtog

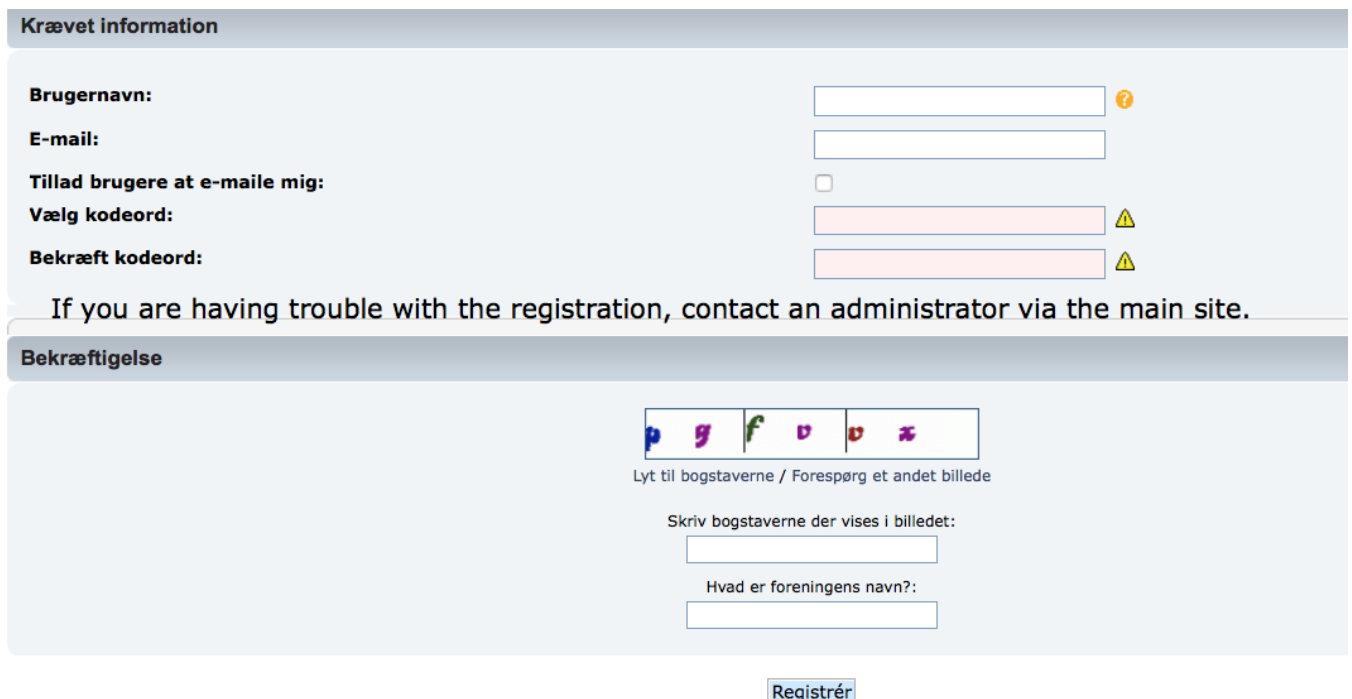

Log ind med brugernavn, kodeord og sessionslængde

---

[Hjem](#) [Hjælp](#) [Søg](#) [Log ind](#) [Registrér](#)

On next page click on: *Jeg accepterer indholdet i registrationsaftalen.*

Then you fill in this form:

**Krævet information**

**Brugernavn:**  ?

**E-mail:**

**Tillad brugere at e-maile mig:** ☐

**Vælg kodeord:**  ⚠

**Bekræft kodeord:**  ⚠

If you are having trouble with the registration, contact an administrator via the main site.

**Bekræftigelse**

Lyt til bogstaverne / Forespørg et andet billede

Skriv bogstaverne der vises i billedet:

Hvad er foreningens navn?:

Translations of the Danish words

*Brugernavn*: user name

*Tillad brugere at e-maile mig*: Allow other users to send e-mails to me

*Vælg kodeord:* please select a password (of your own choice but including at least 8 characters)

*Bekræft kodeord:* confirm password

*Bekræftelse:* Confirmation

*Skriv bogstaverne der vises i billedet:* Type the colored letters shown in the boxes

The last sentence is a question that every person who wants to join the forum has to answer. There are several different questions. Try Google translations and please contact moderator or webmaster if you cannot find the answer.

Finally click *Registrer*.

You will in a short while get an e-mail asking you to activate your user account. Please take a look in your spam filter if the e-mail does not seem to arrive. Just click on the link included and you will be able to log in.

Now go to *Find your relatives in Denmark* and click on *Nyt emne*:

The screenshot shows a forum interface. At the top, there are three buttons: 'NYT EMNE' (circled in red), 'BONNÉR', and 'MARKÉR SOM LÆST'. Below these buttons is a table with the following columns: 'Svar / Visninger', 'Nye indlæg', and a dropdown arrow. The table contains four rows of data:

|                   | Svar / Visninger          | Nye indlæg                               |  |
|-------------------|---------------------------|--|--|
| Kathrine Tobiasen | 0 Svar / 549 Visninger    | 07 Mar 2019 - 10:27 af Kathrine Tobiasen |  |
| Inger Buchard     | 0 Svar / 4.628 Visninger  | 06 Apr 2014 - 20:38 af Inger Buchard     |  |
| Kathrine Tobiasen | 0 Svar / 10.534 Visninger | 04 Okt 2010 - 19:18 af Kathrine Tobiasen |  |
| poor nieuw        |                           | 21 Sep 2010 - 22:02                      |  |

Write your message in the big field. In the field *Emne* you have to type a suitable heading.

Next click on *Vedhæftninger samt øvrige indstillinger* (Attachments and further settings).

**Opret nyt emne**

Emne:

Indlægsikon: Standard 

---

**Redigeringsværktøjer:**

**B**   |    

     |   

---

☒ **Vedhæftninger samt øvrige indstillinger**

☐ Meddel mig om svar. ☐ Returner til dette emne.

☐ Brug ikke smileys.

---

**Vedhæft:**

(Fjern vedhæftning)

Tilladte filtyper: doc, gif, jpg, mpg, pdf, png, txt, zip, docx, jpeg

Restriktioner: 1 per indlæg, Maksimalt samlet størrelse 2400KB, Maksimal individuel størrelse 500KB

---

genveje: tryk alt+s for at afsende/poste eller +p for at se en forhåndsvisning af indlægget

Now go to *Vedhæft* and click on *Vælg arkiv* (select file) and you should be able to navigate to your photo file. Notice that only files up to a size of 500 KB are accepted.

Finally click on *Send* and your message will be posted.
